## PERMISSION FOR ENTRY AND PUBLICATION

NOTE: Because all winning entries will be featured in *Southern Living*, homeowners must be notified of the entry and agree to having their home appear in publication. (They may remain anonymous in publication.) Signing below indicates that the homeowners have granted that permission.

I, \_\_\_\_\_, the \_\_\_\_\_ of the submitted home/project (located at the address above) in consideration of having my home/project featured in *Southern Living* magazine, hereby give my permission for the submitted project to be entered in the *Southern Living* Home Awards. If the project is selected in any of the categories, I will make the residence available for photography by *Southern Living* and will allow the photographs to be published in *Southern Living* magazine and any of its affiliates.
